

SKU#: I 2240B

Get ready to revamp your child or teen's bedroom with this contemporary style, multi-functional black metal bunk bed with a built-in desk! The full size bed at the bottom is fully detachable with a simple desk on the side in a warm taupe, wood-look laminate finish convenient for a laptop and books. The top twin bed, with a built-in side ladder, contains safety guard rails on all sides for extra security. Both beds have steel slats support for a standard size full and twin mattress (no box spring required). Whether you have two kids sharing a room or need an extra bed for sleep overs, this all-in-one solution is ideal for rooms with limited space. Assembly is required.
