If you need a versatile and high functioning furniture piece, look no further than this contemporary style accent table. The spacious rectangular table top made from quality MDF material has a chic laminated grey cement-look surface supported by chrome metal legs that showcase intersecting circles in a stylish design. Slip the sturdy chrome metal base under a sofa or arm chair and use it to put down your drinks and snacks or as a convenient place for your tablet or laptop within reach. You can also set it on the side as a handy end table next to a sofa, armchair, or a bed. Easy to move from room to room, you'll end up buying more than one! Assembly is required.
