

SKU#: I 7937P

Give an easy upgrade to a room with this set of 2 chic nesting coffee tables in a mid-century inspired design. The triangle shaped tops have a smooth brown reclaimed wood look laminate finish, contrasting with tapered, black metal tripod shaped legs for a contemporary industrial style. Both tables have the same surface size at different heights, designed to neatly stack one under the other as a practical space saving solution or for a creative effect. Move them around when you need extra space for entertaining or keep them nested neatly in place. This table set adds style whether it is placed in a formal living room, family room, or office space. Assembly is required.

Refresh your living room with this stylish and contemporary 3 piece round table set that will add polish to your space. The clean lines of this set include a coffee table with a spacious black reclaimed wood look surface to showcase an artful arrangement, place some books or magazines, or to set down a tray of snacks when entertaining. The matching end tables can hold a lamp with space to put down your drink. The tables are supported with a sturdy cross metal base in a solid black finish for a nice, simple overall design. This table set fits perfectly in a small living room, family room, or office area without crowding a space or sacrificing style. Assembly is required.
